

June 28, 2007

Legislative Council

Dear Council:

In accordance with Indiana Code 22-4-18-4.5, the following information is provided pertaining to domestic or family violence individuals who applied for unemployment insurance benefits during period of March 1, 2006 through February 28, 2007.

During the above period 292 individuals were allowed and received unemployment insurance benefits. The total benefits paid for these claims was \$694,673.00. The average amount paid on each claim was \$2,379.00 and the average number of weeks claimed was 6.77. 46 individuals were denied because they did not provide a signed waiver from a shelter or a police protective order.

As of February 28, 2007 there were 34 pending domestic or family violence cases.

If I can be of further assistance, request you contact me at 233-5471 or e-mail [ehenze@dwd.in.gov](mailto:ehenze@dwd.in.gov).

Sincerely,

E J Henze  
Director, UI Benefits Special Projects
